Drawings

Figures 14, 15, and 16 have been labeled as “PRIOR ART”.

Art Unit: 3725

In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.

Information Disclosure Statement

Receipt is acknowledged of an Information Disclosure Statement (I.D.S.), filed June 28, 2006, which I.D.S. has been placed of record in the file. An initialed, signed, and dated copy of the form PTO-1449 is attached to this Office action.

Allowable Subject Matter

Claims 1-16 are allowed.

The following is an examiner's statement of reasons for allowance:

Claims 1, 5, 9 and 13 are allowed because the art of record, considered alone or in combination, neither anticipates nor renders obvious a differential mechanism comprises: *a frame body in which an opening of four inner wall surfaces corresponding to an opening portion hollowed out substantially into a rectangular parallelepipedic shape is provided in the upper surface, a stripe of slide groove is provided at a bottom surface portion in inner wall surface of one set of opposed surfaces of two sets of opposed surfaces, and the rectangular parallelepipedic opening portion forms a rigid body; a movable body ... has a hole in a central portion, the hole of the movable body allows the ball screw shaft to pass through; a differential member ... has a hole in a central portion, the hole of the differential member allows the ball screw shaft to pass through*, in combination with their respective claimed limitations.

Art Unit: 3725

The prior arts of record disclose various differential mechanisms, but none of them teaches a differential mechanism in a structural arrangement as claimed in claims 1, 5, 9 and 13. Therefore, it is concluded that claims 1, 5, 9, 13 and their dependents are allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to JIMMY T. NGUYEN whose telephone number is (571)272-4520. The examiner can normally be reached on Monday-Thursday 7:30am-5:00pm with alternating Fri. 7:30am-4:00pm.
